

BREAKBULK

WE'VE GOT WHAT IT TAKES

ROOM TO GROW

JAXPORT boasts more than 1 million square feet of on-dock warehousing storage. Millions of square feet of additional space are located within minutes of port terminals.

SKILLED AND DIVERSIFIED LABOR

Northeast Florida's skilled workforce is experienced in handling all types of breakbulk cargo and offers a wide variety of labor options.

BALANCED IMPORTS/EXPORTS

The port's equal balance of imports and exports provides backhaul opportunities for importers saving money and maximizing transportation costs.

OUTSTANDING INTERMODAL CONNECTIONS

JAXPORT terminals are serviced by three major interstates (I-10, I-95 and I-75), and the city has 36 daily train departures via three railroads: CSX, Norfolk Southern, and Florida East Coast Railway.

GLOBAL CONNECTIONS

The port offers worldwide cargo service from 40 ocean carriers, including direct service with Asia, South America, the Caribbean and other key markets.

JAXPORT has been handling metals, forest products, perishables and other breakbulk cargoes for decades.

BY THE NUMBERS

1	Million square feet of on-dock warehouse space
3	Interstates as close as one mile from the terminals
36	Daily trains via three railroads
40+	Ocean carriers that call on JAXPORT
100+	Million square feet of industrial space in Northeast Florida
